## Design Experience

### DESIGN INTERN

KAREN KANE – VERNON, CA

October 2017 to December 2017

Assisting with tasks such as trend research, came up with ideas that were implemented in designs that have gone to production, fabric manipulation, distressing denim, cut tickets, mood boards, fabric boards, competition meetings, working with sample sewers and pattern makers to revise samples, fittings, and photoshoots. Worked closely with designers and Karen Kane.

### DESIGN INTERN

ANASTASIA CHATZKA – CHICAGO, IL

July 2016 to August 2016

Assisted with tasks such as cutting fabric, flat patterning, woven and cut and sew construction, visiting local manufacturing, alterations, custom orders, styling photoshoots, and merchandising storefront. Worked closely with the owner and head designer.
